Interested in sports physiotherapy?

Have you considered clinical exercise physiology as being a more suitable pathway than physiotherapy?

“Where physiotherapists assist people with movement disorders using techniques to assist muscles and joints to move to their full potential, clinical exercise physiologists use exercise to prevent and rehabilitate disease and injury in the community”.

Students will study an Exercise and Sport Science Australia (ESSA) accredited undergraduate exercise science degree followed by graduate studies in exercise physiology. The following are examples of courses at Victorian universities:

- Deakin University, <https://bit.ly/2TPWDQ3>
- Australian Catholic University, <https://bit.ly/2CiUimH>

Policing Careers

Careers with the Victoria Police: Victoria Police provides policing services to the state's community 24 hours a day, seven days a week, working to keep over six million people safe. They are currently in the midst of their biggest recruitment drive ever, looking to recruit over 3,000 new Police Officers, as well as additional Protective Services Officers and Police Custody Officers by 2021.

In addition to policing roles, Victorian Public Servants work across more than 500 locations in Victoria, playing supporting roles in specialist professions such as IT, law, communications, recruitment, forensic science and many more.

Year 12 students may be interested in starting their application at the end of the year. As a Victoria Police Officer, employees will have access to great benefits, including generous leave entitlements and ongoing training throughout their career.
