Dear Parent and Carers,

Re: Educational Pathways at CSC

This term, CSC students in years 8 to 11 select their courses and subjects for 2019. This will occur on the Pathways Interview Day on Tuesday, 31 July from 12noon-7pm with no classes held for students on this day. Students and parents/carers meet with the student's mentor teacher to discuss their program and submit their subject selections for 2019. Appointments of 20 minutes duration can be booked online through XUNO (see Booking Instructions below for further information).

In order to support students to select a program for 2019, a range of resources and events have been organised and are detailed below.

Course Selection Handbook, 2019 for Years 9-12

This guide describes the extensive range of courses offered at CSC as well as career pathways available through these options. The handbook is available in hardcopy from CSC Reception and online at CSC's website under Publications: http://www.csc.vic.edu.au/?page_id=2321.

Year Level Course Information Sessions

This week and next, CSC is hosting information sessions to highlight opportunities and explain program requirements at each year level. College staff look forward to discussing our students' needs and aspirations with you.
